Each Additional Family Member	\$ 7,733	\$645	\$149

The following is the definition of income:

Income is defined as any monies before any deductions such as income taxes, social security taxes, insurance premiums, charitable contributions and bonds. It includes the following: (1) Monetary compensation for services including wages, salary, commissions or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) Social Security; (5) dividends for interest on savings or bonds or income from estates or trusts; (6) net rental income; (7) public assistance or welfare payments; (8) unemployment compensation; (9) government civilian employee or military retirement, or pensions or veterans payments; (10) private pensions or annuities; (11) alimony or child support payments; (12) regular contributions from persons not living in the household; (13) net royalties; (14) other cash income. Other cash income would include cash amounts received or withdrawn from any source including savings, investments, and trust accounts.
